Dear Mr. Mark:--

It was indeed a pleasure to read your report of the past activities of the Mayor's Commission on Group Relations. I know that our community has been helped tremendously by the work of this Commission.

You, of course, have taken a leading part in formulating the policies that have been followed. I shall look forward to my continued association with you and the other members of the Commission during the coming year, and I am sure that our efforts will redound to the benefit of our fellow citizens.

Sincerely yours,
